

ANTONOV SIGNED COOPERATION AGREEMENT ON THE AN-225 PROGRAMME WITH AICC - COMPANY

News / Manufacturer

On August 30, 2016, ANTONOV Company included into Ukroboronprom SC and Aerospace Industry Corporation of China (AICC) signed Cooperation agreement on the AN-225 programme. In such way, the parties expressed their intentions as for long-term cooperation. It was reported by Antonov press-service.

The first stage of this interaction consists in construction of the second modernized AN-225 Mriya at ANTONOV Company and delivery of this aircraft to AICC.

The second stage – organization of the joint series production of the AN-225 in China under licence of ANTONOV Company.

Both stages will be realized in accordance with proper contracts.
