

BELL DELIVERS HUEY II TO BOSNIA AND HERZEGOVINA

News / Manufacturer

Bell Textron has delivered four Bell Huey II aircraft to the Armed Forces of Bosnia and Herzegovina (AFBiH) on Dec. 4. The aircraft are part of an Foreign Military Sale signed in December 2019.

The Huey II worldwide fleet of more than 300 aircraft have a combined 1.2 million flight hours. Prior to the delivery, members of the AFBiH Air Force and Air Defense Brigade completed adaptation training at the Bell Training Academy in Fort Worth, Texas.

“We are very pleased and honored to be able to deliver these very versatile helicopters to the Armed Forces of Bosnia Herzegovina.” said Clay Bridges, regional sales manager, Bell. “The Huey IIs will enhance the Bosnia and Herzegovina’s ability to perform search and rescue, firefighting, and many other missions. Here and throughout the region, we are seeing the need for helicopters grow.”

Additionally, Bell’s global customer support network, with more than 100 authorized customer service facilities in 34 countries, provides customers with the largest support network in the industry.
