

CHINESE FIRM TO RECEIVE FOUR KA-32 FIRE FIGHTING HELICOPTERS

News / Manufacturer

China's Jiangsu Baoli International Investment will take delivery of four **Kamov Ka-32A11BC fire fighting helicopters** in 2016-2017.

The deal was announced in a statement by Russian Helicopters.

'These helicopters are successfully operated in China,' says Russian Helicopters chief executive Alexander Mikheev.

'This contract confirms our interest in developing mutually beneficial cooperation, and we plan to continue to grow it through additional deliveries and new projects.'
