

JACKSON SQUARE AVIATION ORDERS 50 A320NEO FAMILY AIRCRAFT

News / Finance, Manufacturer

Jackson Square Aviation has placed a firm order for 50 [A320neo](#) Family aircraft. The agreement is JSA's first direct order with Airbus, making the lessor a new Airbus customer.

Kevin McDonald, JSA's Chief Executive Officer, commented: "this is an exciting milestone in JSA's history as a longtime global leader in the sale and leaseback financings of Airbus aircraft. JSA looks forward to our expanded relationship with Airbus. We are excited to add the A320neo to our long-term pipeline as we continue our mission to provide the world's airlines with superior fleet and capital solutions."

Benoit de Saint-Exupéry, Airbus EVP Sales of the Commercial Aircraft business said: "Jackson Square Aviation has an impressive client base and we welcome its decision to become part of the Airbus family. After a thorough evaluation, JSA's selection of the Airbus A320neo adds the leading single aisle aircraft family with outstanding performance and passenger comfort to its portfolio of aircraft for its airlines."

The A320 Family is the world's most popular single aisle aircraft having won more than 19,000 orders globally. The Family includes the largest member, the A321neo offering unparalleled range and performance. The Family offers 50% noise reduction and at least 20% fuel savings and CO₂ reduction compared to previous generation single-aisle aircraft, while maximising passenger comfort with one of the widest single-aisle cabins in the sky.

The A320 Family can operate with up to 50% Sustainable Aviation Fuel today and up to 100% by 2030.
