

JET AVIATION COMPLETES AND DELIVERS ACJ320 FOR EUROPEAN HEAD OF STATE

News / Business aviation, Manufacturer

Jet Aviation Basel has outfitted and delivered an Airbus **ACJ320** to an undisclosed **European government**. The handover of the head-of-state aircraft marks the Swiss company's third VIP airliner completion this year. Other projects include a Boeing Business Jet and twin-aisle A340-600.

The ACJ320 is certificated for private use, and seats 57 passengers and five crew members. The narrowbody airliner features a bedroom, bathroom, lounge and office area.
