

RUSSIAN DEFENSE MINISTRY PUBLISHES FIRST FLIGHT FOOTAGE OF SUKHOI T-50

News / Manufacturer

The Russian Defense Ministry has published video footage featuring the newest Sukhoi T-50 fifth generation fighter (PAK FA or Prospective Airborne Complex of Frontline Aviation). The video was published for Russian Aerospace Force Day.

The unique footage also features MiG-29KUB naval fighter, Yak-130 advanced jet trainer, Su-35S fighter, Su-33 naval fighter, Tu-95 strategic bomber, as well as Strizhi (The Swifts) and Russkiye Vityazi (The Russian Knights) aerobatic performance teams.

The footage was recorded by Pavel Novikov from an Antonov An-12 military transport aircraft in south Russia this year.
