

RUSSIAN HELICOPTERS ARE FACED WITH DELAYS IN PAYMENT OF FOREIGN CONTRACTS

News / Manufacturer

Russia may **delay** the delivery of military helicopters abroad as a number of customer **delays the payment**. This was director of public procurement and military-technical cooperation of the holding "Helicopters of Russia" Vladislav Savelyev told the agency TASS.

"Holding plans to carry out all the supplies but there are some delays in terms of payment from foreign customers so the possibility of transferring some of the shipments in the first quarter of next year" – said Savelyev. According to him all the helicopters are made and the company complied with all obligations.

He did not specify which countries delaying payment.
