

FLYING COLOURS CORP. EXPANDS SALES TEAM WITH APPOINTMENT OF CLINT BLOOM

News / Personalities

Flying Colours Corp is broadening the expertise of its sales team with the appointment of former Bombardier Aerospace interiors specialist Clint Bloom as Sales Manager - Interiors. Clint will be based in Tucson, Arizona, with a remit that covers the entire U.S. and Canada, as required.

Reporting to Kevin Kliethermes, Director of Sales, Clint brings a wealth of experience to the company assisting clients through all aspects of the refurbishment process. He is especially familiar with the Bombardier Challenger and Global families having worked for the OEM for 16 years focused on customer refurbishment and green completion projects. Now he will offer Flying Colours Corp. clients another point of contact on their interior refurbishment and completion projects.

"Heightened customer demand and enhanced territory coverage - for both the U.S. and Canada necessitated driving this expansion," said Executive Vice President Sean Gillespie. "We are delighted to welcome someone of Clint's caliber to the team."

Flying Colours Corp. offers a full range of interiors services including preliminary interior inspections, interior removals and installation, interior repair work, interior modification work, interior refurbishment and full completions.

About Flying Colours Corp.:

Flying Colours is a global aviation service company which specialises in Green Completions, Interior Refurbishment, Maintenance, Component Services, Auxiliary Fuel Systems, Exterior Paint and Avionics Installation and Upgrades. Flying Colours' U.S. operation is an FAA-licensed Class III and IV Part 145 repair station based in St Louis, Missouri. Flying Colours and its subsidiaries are proud of their worldwide customer base which has grown these past few years owing to its dedication to safety, quality and customer support. Flying Colours specialises in all mid-large sized business aircraft including the Global Express series, Challenger, Dassault Falcon, Beechcraft/Hawker and Gulfstream models. Flying Colours is an authorized service centre for both Bombardier and Beechcraft.

Flying Colours Corp Asia PTE. Ltd offers full service interior refurbishment capabilities on Learjet, Challenger, and Global business jets at Bombardier's wholly owned Singapore Service Centre located at Seletar Airport in Singapore.
