

GULFSTREAM NAMES M.LIU AS VP OF SALES FOR GREATER CHINA

News / Personalities

Gulfstream Aerospace Corp. recently named **Matthew Liu** regional **vice president of Sales for Greater China**. Liu will be based in Beijing and report to Roger Sperry, regional senior vice president, International Sales, Asia Pacific, Gulfstream.

Liu comes to Gulfstream with more than 24 years of experience in the aerospace industry. Most recently, he worked at Textron Aviation as a regional sales director in Greater China and Mongolia. Prior to that, Liu spent more than a decade at Raytheon and worked in positions of increasing responsibility until becoming a principal systems engineer. Before that, he worked as a senior lead tooling engineer at Boeing and assisted in the development of the Boeing 737 Next Generation and Boeing 777.
