

ORIENS AVIATION ADDS BOB BERRY AS ADVISOR

News / Personalities

Biggin Hill based **Oriens Aviation** has added **Bob Berry** as an advisor.

Oriens Aviation became a Pilatus distributor in April 2015, and ordered three PC-12s

Brenninkmeyer says he was tempted to buy the Bournemouth Distributorship from Berry back in 2012 but the timing was wrong. Now he is starting afresh with Oriens Aviation but with Bob Berry as an advisor to the Oriens board.

“Edwin is no fool and has a great attitude that will help expand the market place, I’m delighted to be involved on a part time advisory basis.”

“Some people say we made it look too easy – I say why would we make it look like hard work? We just looked after potential customers like any other good sales operation should!” added Berry.
