

AIRBALTIC: PASSENGER NUMBERS UP & COOPERATION WITH LUFTHANSA ON FLIGHTS FROM TAMPERE TO FRANKFURT AND MUNICH

News / Airlines, Airports / Routes

During May 2022 airBaltic has carried 284 700 passengers – 323% more than during the same period last year. In May 2022, airBaltic performed 3 490 flights.

Martin Gauss, Chief Executive Officer of airBaltic commented: “Now that most Covid-19 restrictions have been lifted in many parts of the world, we see passenger demand growing for both business and leisure destinations. This is also reflected in the results achieved in May, as well as the latest booking reservations for the upcoming summer months. Therefore, we expect that during the busier summer months we will carry even more passengers. The post-pandemic recovery is well underway.”
