

# AIRBALTIC PASSENGERS UP + 18%

News /

In January 2017, the Latvian airline *airBaltic* carried 187 996 passengers or +18% more than in the same period of 2016 throughout its network spanning Europe, Scandinavia, Russia, CIS and the Middle East.

In January the airline operated 3 463 flights, or +14% more than in the same period of 2016, when *airBaltic* operated 3 032 flights.

The airline's load factor, which represents the number of passengers as a proportion of the number of available seats, was at a level of 62% in January 2017.

The 15-minute flight punctuality indicator for *airBaltic* reached a level of 87,2% in January 2017. This means that more than 87 of every 100 *airBaltic* flights in January departed at the planned time or with a delay of no more than 15 minutes.

This summer, *airBaltic* will add 11 new routes to its network to such cities as Madrid, Geneva, Aberdeen, Tampere, Stavanger, Gothenburg, Kazan and Catania.
