

AIRBALTIC RECEIVES THE WORLD'S MOST PUNCTUAL AIRLINE AWARD

News / Airlines

On February 28, 2018 at Riga International Airport the World's Most Punctual Airline Award ceremony was held. The Senior Analyst at OAG John Grant visited Riga and awarded the Latvian airline *airBaltic* in three categories – the world's most punctual airline, the most on time airline in Europe and the first in mainline category in 2017.

On January 3, 2018, it was announced that the Latvian airline *airBaltic* has been recognized as the No 1 airline in the world for its punctuality in 2017 by OAG analysts, who tracked the performance of a total of over 50 million flight records. *airBaltic* has been on the top of the global on-time performance ranking for the past four consecutive years.

According to OAG, *airBaltic* achieved a punctuality rating of 90.01% for flights linking the Baltics to its network spanning Europe, Scandinavia, CIS and the Middle East. It means that more than 90 out of 100 *airBaltic* flights arrived on time in 2017.

As informed previously, the Latvian airline *airBaltic* in 2017 transported a total of 3 523 300 passengers or 22% more than in 2016 to its network spanning Europe, Scandinavia, Russia, CIS and the Middle East. It is the highest number of passengers carried in the history of airline. In addition, the regularity of *airBaltic* reached 99.43% in 2017, exceeding company's internal target. That means that the airline operated more than 99 out of every 100

scheduled flights last year.

airBaltic serves over 60 destinations from its home base in Riga, Latvia. From every one of these locations, *airBaltic* offers convenient connections via Riga to its network spanning Europe, Scandinavia, the CIS and the Middle East. In addition, *airBaltic* also offers direct flights from Tallinn and Vilnius.
