

FLYDUBAI RAMPS UP OPERATIONS IN EUROPE WITH FOUR NEW DESTINATIONS

News / Airlines

flydubai launches four new services, growing its network in Europe to 43 destinations in 21 countries. flydubai becomes the first UAE national carrier to operate direct flights to EuroAirport Basel-Mulhouse-Freiburg (BSL) from 02 August 2024. The announcement also marks the carrier's first entry into the Baltic region with direct flights to Riga International Airport (RIX) in Latvia commencing on 11 October as well as Tallinn Airport (TLL) in Estonia and Vilnius International Airport (VNO) in Lithuania from 12 October 2024.

Ghaith Al Ghaith, Chief Executive Officer at flydubai, commented: "We are proud to see our network grow bigger than ever with the new route launches. We have created a diverse network of 126 destinations, 60% of which previously had very limited or no connections to Dubai. Our new services to the Baltic region and Basel will enable more people to travel conveniently through Dubai's aviation hub, whether they are visiting Dubai or connecting conveniently onto the flydubai network or further afield with our codeshare partner Emirates."

Jeyhun Efendi, Senior Vice President, Commercial Operations and E-commerce at flydubai, said: "Europe is an important market for flydubai and we remain committed to offering more passengers

a convenient, reliable service with a great onboard product and experience. With the addition of Basel, Riga, Tallinn and Vilnius, we look forward to welcoming more travellers from Europe to Dubai and onwards to other points on our network including Malaysia, the Maldives, Mombasa, Sri Lanka, Thailand and Zanzibar.”

Situated on the borders of northwest Switzerland, the Alsace historical region in France and Baden-Württemberg in Germany, EuroAirport Basel-Mulhouse-Freiburg is a unique gateway to a wide variety of tourist attractions in three different countries. Located on the banks of the river Rhine, Basel is widely considered to be Switzerland’s cultural capital. Famous for its many museums and its delightful blend of historic and modern architecture, Basel also offers a gateway to the picturesque landscapes of Switzerland’s countryside.

Riga in Latvia, Tallinn in Estonia and Vilnius in Lithuania are all capital cities of these Baltic states that boast magnificent architecture and whose Old Towns are UNESCO World Heritage Sites.

flydubai will operate its latest aircraft on these routes which feature lie-flat seats, internationally-inspired menus and hours of immersive entertainment in Business Class and seats designed to optimise space and comfort in Economy Class.
