JAL ANNOUNCED THE ESTABLISHMENT OF A BUSINESS JET SERVICE COMPANY

News / Airlines, Business aviation

Japan Airlines (JAL) and Marubeni announced the establishment of a new business jet company to meet the expanding demand of the service in Japan. Services will include the arrangement of the charter flight, management of the privately owned aircraft and provide operational and concierge services to business jet operators and to customers flying to Japan; with a target to start the service during the spring of 2019.
