LUXAIR WILL FLY TO PRAGUE FOUR TIMES A WEEK NEXT SUMMER AND ADD FREQUENCIES TO NORTHERN EUROPE

News / Airports / Routes

Luxair Luxembourg Airlines is pleased to announce that it will offer flights to **Prague**, an addition to its current destinations network, **four times a week** starting 27 March 2016.

The flights are scheduled to take place on Mondays, Wednesdays, Fridays and Sundays. The fares to this popular tourist destination will be very attractive, starting at as little as 149 euros.

In addition, Luxair will also expand its offer to three of its existing destinations in Northern Europe. It will offer daily connections to Stockholm and Copenhagen. A Saturday flight to Stockholm will be offered as from summer 2016, the Saturday flight to Copenhagen will start already in November 2016. Luxair will also increase its offer to Dublin during winter season, with six weekly flights.
