In total the airlines performed 8 347 flights in May. Passenger turnover grew by 17.4% up to 2 066 215 thousand pkm. Cargo turnover reached 194 928 thousand tkm., which is 17.2% more comparing with May 2015 results.

«In May growth of the airline's indexes remained. It is a result of opening new flight destinations and fleet extension. From the beginning of the year we received eight new liners, including one Airbus A321 liner, which was added to our fleet in May. This enabled us to add new flights on most in-demand routes from Moscow and Novosibirsk», Igor Veretennikov, S7 Airlines Commerce Director, noted.

S7 Airlines («Siberia» airlines brand s7.ru) is a member of the oneworld® global aviation alliance.
