

STAR AIR CELEBRATES 3 YEARS OF CONNECTING REAL INDIA

News / Airlines

On the 25th of January 2022, Star Air, part of Sanjay Ghodawat Group, celebrated its 3rd year of Connecting Real India. As one of India's fastest-growing regional airline, the last 3 years have proven to be the most rewarding years for Star Air. With important milestones achieved, it has made significant strides in Indian aviation in a limited span of time.

With a proven track record of providing hassle-free, affordable, and on-time services, Star Air is all about fulfilling the common man's dream of flying. Intending to make travel more accessible and inexpensive, it has expanded its network to over 15 destinations.

While the last 2 years witnessed the aviation industry's worst-ever crisis due to COVID-19, Star Air managed to thrive and achieve tremendous success due to its unique business model and an amazing team. With over 400 employees and over 7,000 flights operated since 2019, Star Air is the proud operator of 5 Embraer ERJ145 jets. In December 2020, it operated its first international charter to Maldives, making it one of Star Air's key achievements.

Commenting on the celebratory occasion, Shrenik Ghodawat, Director – Star Air said, "On this momentous & celebratory occasion of completing 3 successful years, I would like to express my heartfelt gratitude to all our passengers, employees and valued stakeholders for your unconditional faith and support. As we celebrate Star Air as one of India's fastest-growing regional airlines, we promise to always strive to achieve the best, be it Safety, On-Time Performance and ensuring the most convenient and time-efficient way of air travel. I wish everyone many more years of exciting experiences with Star Air."

"As a chief member of the Star Air family, it is an honour and privilege to witness the incorrigible and relentless growth of the company during these unprecedented times. As we continue to grow in a measured way towards our vision and long-term plans, I would like to take this opportunity to thank my entire team for their relentless efforts and dedication during these past years. All of us at Star Air are truly grateful to our passengers and partners who have supported our dream of building the best regional airline that 'Connects Real India.'" says Capt. Simran Singh Tiwana, CEO - Star Air.

Star Air recognizes safety as a core responsibility and motivating factor for its employees and passengers. It is fully committed to providing all the appropriate resources required for effective safety practices. With intensified sanitization efforts to maintain the highest safety & hygiene standards on all its flights, Star Air also took several initiatives to get its staff inoculated against COVID-19 by managing to get 100% of its crew vaccinated.

Currently, it offers scheduled flight services to 15 Indian destinations that include Ahmedabad, Ajmer (Kishangarh), Bengaluru, Belagavi, Delhi (Hindon), Hubballi, Indore, Jodhpur, Kalaburagi, Mumbai, Nashik, Surat, Tirupati, Jamnagar, and Hyderabad.
