

TRANSAERO WAS GOING TO SUSPEND FLIGHTS IN RUSSIA ON OCTOBER 15TH

News / Airlines

Transaero was going to suspend transportation of passengers, who already have tickets, to foreign countries on October 5th and suspend flights within the territory of Russia on **October 15th**, Interfax reported with reference to Aeroflot CEO Vitaly Savelyev.

According to him, passengers would have been transported only from foreign countries back to Russia. The passengers, who have tickets for domestic flights scheduled after October 15th, will get a refund.
