

NON-STOP FLIGHT TO LINK SOUTHWEST CHINA'S CHENGDU WITH RIGA, LATVIA

News / Airports / Routes

A non-stop international [route](#) linking Chengdu in southwest China's Sichuan Province and Riga, Latvia is expected to open upon a Letter of Intention signed between Latvia Minister of Transport Kaspars Ozoliņš and Chengdu Deputy Mayor Liu Shoucheng.

Ozoliņš expressed his wishes to deepen the cooperation between **Chengdu** and **Riga** in wider aspects including culture, economy and city construction through the launch of the non-stop flight between Chengdu and Riga.

A preliminary agreement has been reached after several rounds of negotiation and preparation for the non-stop flight will be made according to schedule.
