*– Ground handling of business jets is similar to professional sport, where time and speed form a basis for achievement of maximum results, – says **Givi Tkemaladze**, CEO of Capital AviaNeft. – The prompt and high-quality flight support of business jets will be supplemented this season with a kind of grand prize – a discount program that will allow to optimize your airport expenses.*

*– We are always searching for new business tools to do our services more useful for our subscribers, – says **Yuri Dzun**, Brand Development Partner Aviapages.com. – We hope that our subscribers will highly appreciate this new campaign in Sochi.*

Refund Program will allow Capital AviaNeft's customers to reimburse up to 2,5% from each

spending on handling and refueling services after 2 months via Aviapages.com website. Refund Program will commence on April 27th and last till May 01st at the period when Formula 1 Russian Grand Prix will be held.

Capital AviaNeft has been providing a full range of handling and refueling services at Sochi International Airport, starting August 2016. Being an independent ground handling provider, Capital AviaNeft operates at all airports of Krasnodar Region: Krasnodar, Anapa, Gelendzhik, and Sochi. Moreover, Capital AviaNeft has direct agreements with operators of over 60 airports across Russia and CIS countries. The company also has an exclusive partnership with an oil giant Shell and a unique right to buy aviation fuel for Air Total clients in Russia. Flawless and high-quality flight support services are provided not only to business aviation operators and handling companies, but also to airlines and cargo carriers.
