

FLYEXCLUSIVE ORDERS UP TO 30 CESSNA CITATION CJ3+ LIGHT JETS

News / Business aviation, Manufacturer

flyExclusive signed a purchase agreement for up to 30 Cessna Citation CJ3+ jets. flyExclusive expects to take delivery of five aircraft in 2023, with the option to purchase additional aircraft for deliveries through 2025.

Ron Draper, President and CEO, Textron Aviation, commented: “This order brings the efficiency and comfort of the Citation CJ3+ to a new audience of customers through flyExclusive’s programs. We appreciate customers like flyExclusive, who see the value in operating a broad range of jets from the Citation family. The operating economics of Citations, combined with the global network of service and support available through Textron Aviation, ensures continued productivity and enjoyment throughout the ownership experience.”

This order, with options, continues the company’s position as one of the largest owners/operators of Citations in the world. The company operates a fleet of Cessna Citation jets including Citation X, Citation Sovereign, Citation Excel/ XLS, Citation CJ3 and Citation Encore aircraft models.

Jim Segrave, Chairman and Founder, flyExclusive, said: “This expansion launches flyExclusive into the fractional space. We are committed to redefining the private flying experience, providing the full suite of products for our customers, all delivering consistent, reliable and world-class service. We are proud to continue our relationship with Textron Aviation as we bring the CJ3+ into our esteemed fleet. The addition of these new CJ3+ aircraft will allow us to expand our capabilities to support our continuing growth as one of the largest private jet charter operators in the industry.”

Owning and operating its fleet of 85 light, midsize, super-midsize and heavy jets, flyExclusive, based in Kinston, North Carolina is the third largest Part 135 charter operator in the U.S. This order is expected to support the company’s Jet Club, Partner and new fractional program, in response to historic demand.

The Citation CJ3+ delivers exceptional performance, Garmin G3000 avionics and in-flight WiFi capability. With a range of up to 2,040 nautical miles, the Citation CJ3+ is perfectly suited for the light jet market segment and can fly single-pilot and up to four passengers nonstop from Washington, DC to Monterrey, Mexico, Sao Paulo to Santiago, London to Athens, or Shanghai to Tokyo.
