

JET-LINK'S/HELI-LINK'S NEW NAME IS DC AVIATION SWITZERLAND

News / Business aviation

Starting immediately, DC Aviation's Swiss daughter, Jet-Link AG/Heli-Link AG in Zurich, will operate under its new name „DC Aviation Switzerland“. DC Aviation had acquired the business aviation company in 2013.

“Renaming the company is perfectly in synch with our effort of further develop the DC Aviation brand. This logical step also sends a clear and strong signal to the Swiss market,” says Michael Kuhn, CEO of the DC Aviation Group.

This increased market presence constitutes the basis of a comprehensive service portfolio and supports the dynamic growth strategy of the DC Aviation Group in Western Europe, Eastern Europe, and the Middle East, preparing the Group in an optimal way to meet current and future challenges of the world market.

DC Aviation Group

The DC Aviation Group emerged in 2007 from the former DaimlerChrysler Aviation, a subsidiary of the the DaimlerChrysler AG, founded in 1998. With locations in Dubai, Zurich, Malta, and Moscow DC Aviation's international presence is growing steadily. Its over 17 years of corporate history have given the DC Aviation Group comprehensive experience in aircraft management. Today, DC Aviation offers a complete portfolio reaching from aircraft management through air charter to the maintenance of business jets. Its fleet comprises modern Cessna Citations Type XLS+, long-distance jets such as the Gulfstream G550, and large-cabin aircraft like the Airbus 319ACJ.
