

JETCRAFT AND BILL PAPARIELLA ENTER INTO STRATEGIC SALES ALLIANCE

News / Business aviation

Jetcraft is teaming up with Bill Papariella as the exclusive trading partner to the former JetEdge CEO new company, AeroVentures. AeroVentures is an investment firm uniquely focused on innovating and evolving the world of global aviation through direct equity and credit investments to leading businesses providing technology, service, and infrastructure solutions to the business aviation industry. AeroVentures' unmatched expertise and unique vision provides investment partners from across the world with opportunities to foster strong long-term growth. The distinguished experience of their portfolio management team and CEO Bill Papariella in the global aviation industry distinctly positions AeroVentures as a powerful new investing partner in the private aviation category.

Chad Anderson, CEO at Jetcraft, commented: "With Jetcraft, Bill is taking his global perspective to the next level. He is a recognizable force in this industry and now he has access to a leading transaction team located all over the world that's backed by proprietary data analytics. Our partnership with AeroVentures will allow him to better serve the demands of his clients, and his strategic aircraft investments. For Jetcraft, AeroVentures gives us access to Bill's extensive network supported by strong credit lines, creating even more opportunities for our customers to

continue transacting at the Speed of Life. We're looking forward to a fruitful relationship."

Bill Papariella, CEO of AeroVentures, said: "As a premier private aviation brokerage with unmatched international reach, data-driven market analysis, and advisors that possess extensive knowledge in the global private aviation ecosystem, we are pleased to partner with Jetcraft. As the private aviation industry continues to experience shifting demand, AeroVentures looks forward to helping Jetcraft further succeed by accessing our capital on a global scale for aircraft transactions across the world."
