# MEDAIRE AND GULFSTREAM EXPAND PARTNERSHIP

**News / Business aviation**

**MedAire** has extended its relationship with **Gulfstream Aerospace** that will see the airframer provide its clients with a comprehensive travel risk management solution.

“Gulfstream has always been on the forefront of providing leading edge services to their clients.”

Bill Dolny, CEO of MedAire said: “Gulfstream has always been on the forefront of providing leading edge services to their clients. Adding our comprehensive travel risk management solution to their entitlement program ensures Gulfstream clients will have state-of-art safety and security assistance that best meets the needs of today’s business traveller wherever they need to fly.”

“Clients are seeing real value in the safety and security assistance services we have added to our flagship medical offerings and there is no other company in the industry that provides a full travel risk mitigation solution like MedAire,” added Dolny.

MedAire, an International SOS company, has been a company in travel risk management for the business and general aviation market for over 30 years.
