SAVBACK BRING KONNER AND KOENIGSEGG TOGETHER TO CELEBRATE MILESTONES

News / Business aviation

Savback Helicopters announced that Konner K1-S19 was the inaugural helicopter to land at the at the all-new helipad at the Koenigsegg supercar factory in Ängelholm, Sweden. The arrival marking a double celebration as the occasion also saw the setting of a new world speed record by the Koenigsegg Jesko Absolut - achieving 0-400-0km/h in an astounding 27.83 seconds.

Reja Savbäck, Chief Marketing Officer Savback Helicopters commented: "The launch of Konner K1-S19 by Savback Helicopters couldn’t have had a more spectacular start in Scandinavia. You could feel the rush of adrenaline as we celebrated this incredible feat together."

This Summer the Konner K1-S19 demonstrator, with its uber luxurious and high-performance inspired ‘Lamborghini trimmed’ interior has been turning heads of the cognoscenti everywhere it goes. Including recently at the exclusive model launch at Savback headquarters and at The AURORA - Scandinavia's premier car & lifestyle event, where members of the Swedish Royal Family were introduced to its unique fusion of Italian styling and hybrid power safety feature.

Savback Helicopters is the exclusive sales representative for Konner K1-S19 and K2 helicopters across the Nordic region as well as the United Kingdom and Republic of Ireland. Sales will be handled from Sweden and the UK office at Nottingham Heliport.
