

SWISS AVIATION CONSULTING EXPANDS INTO ASIA

News / Business aviation

Swiss Aviation Consulting is setting up an affiliate in Petaling Jaya, Malaysia. Swiss AeroConsultant (Asia) Sdn. Bhd. was officially incorporated in December 2015.

The company selected Malaysia for its central location in the Southeast Asian market and for the availability of qualified staff who, in addition to English and the local Bahasa, speaks the languages of Swiss Aviation Consulting's clients in China, India and Indonesia.

"To set up an office in Asia was an absolute imperative for Swiss Aviation Consulting."

Daniel Lütolf, managing director and chairman said: "To set up an office in Asia was an absolute imperative for Swiss Aviation Consulting."

"Southeast Asia is a hot market. Both the airline and executive aviation sector have an increasing requirement of aircraft, their financing and related services. With the added presence in Malaysia we pursue our strategy to follow our clients' business needs geographically as well as with respect to high quality services," added Lütolf.
