

WINGS OF BUSINESS NATIONAL AWARD OPENS CALL FOR APPLICATIONS

News / Business aviation, Events / Festivals

Organizing Committee of the National Business Wings Award for the highest achievements in the field of business aviation has announced the call for applications for 2016 Award.

The Business Wings Award will be presented in 13 categories covering all areas of business aviation activity. Both Russian and foreign companies have a chance to make a name for themselves and win the prestigious crystal statuette. Six nominations, including “International Airlines”, “Aircraft manufacturer”, “MRO Center”, “Project of the Year” are available for foreign companies to participate. The Board of Russian United Business

Aviation Association (RUBAA) introduces nominees for “Legend Peron” and “Company Legend” categories.

In the application form, applicants may indicate not only standard company data and performance results but also additional information highlighting the most outstanding achievements and projects implemented in 2016. Business Wings Award winners will be selected by an independent online voting available at www.wingsaward.ru since November 1, 2016, as well as by voting of RUBAA Board members.

Registration application is available until January 31, 2017, but companies registered before online voting, have higher chances of getting more votes from industry professionals.

The Business Wings Award Ceremony will be held in the Moscow Golf Club on February 17, 2017. Only tickets and invitations will be valid for entry. Tables are limited for the Gala Dinner, as tickets sale is now open and there are fewer available tables now.

“The Business Wings Award is one of the most anticipated events of the industry. Russia often hosts different events commemorating achievements of aviation market, however, business aviation has not been in the focus. Nevertheless, business aviation has come a long way over the last decade, turning into one of the most promising sectors of the Russian aviation industry. We have much to be proud of, and I am confident that the Business Wings Award will be useful to give an professional objective assessment of companies performance in our sector”, said Mikhail Titov, Vice-President of the Russian United Business Aviation Association

Award rules, list of nominations, application form, ordering a table for the Gala Diner are available at www.wingsaward.ru.

The Business Wings Award was established by the Russian United Business Aviation Association (RUBAA). Business Aviation Systems LLC lead by Mikhail Titov acts as a producer of the Business Wings Award ceremony.
