

ATR WILL SHOWCASE NEW IN-FLIGHT ENTERTAINMENT SYSTEM AND NEW SEATS AT AIRCRAFT INTERIORS EXPO

News / Events / Festivals, Manufacturer

ATR will attend the Aircraft Interiors Expo in Hamburg, from April 10-12 (ATR booth: stand 6C51, Hall B6). ATR's presence at the world's largest event dedicated to the design and furnishing of aircraft cabin interiors underlines the manufacturer's strong commitment to passenger comfort and wellness. Improving the ATR cabin is at the heart of ATR's philosophy of continuous development.

Visitors to the ATR stand will be able to discover ATR's new "Neo Classic" and "Neo Prestige" seats, set to become standard this year. Additionally, ATR will demonstrate the new Cabinstream In-Flight Entertainment system which will give operators the option of introducing wireless connectivity into the ATR cabin, allowing passengers to download a variety of multimedia content to their personal electronic devices.

On the occasion of the exposition, a signing ceremony to announce the launch customer of the Cabinstream system will be held at the ATR booth, on Tuesday, 10 April, at 4:00pm. This event is open to all media attending the Aircraft Interiors Expo.
