MIRACLE FLIGHTS FOR KIDS® CELEBRATES 30 YRS. OF SERVICE WITH NEW LOGO

News / Events / Festivals

Miracle Flights for Kids, the nation's leading medical flight organization, recently launched a new logo in honor of its 30 yrs. of community service.

"We are so excited to introduce this new logo," said Ann McGee, Founder and National President of Miracle Flights. "A lot of thought and consideration went into creating a logo that represents a high growth national charity, and its unveiling will help usher Miracle Flights into another 30 yrs. of service."

The new logo features a sleek blue and red color palette, accompanied by the organization's signature heart and aviation wings.

This revamped logo is not the only new design feature within the company. In June, the nonprofit also overhauled their website, adding recent video news stories, real time social media updates, and a digital *Wall of Miracles*, along with the opportunity for supporters to learn about various ways to advocate.

Other exciting news within the organization includes an acknowledgment by local government officials recognizing three decades of community service. The Clark County Board of Commissioners in Las Vegas, NV proclaimed July 2015 as the "Month of Miracles" in honor of the nation's leading medical flight organization.

Additionally, Miracle Flights for Kids was recently nominated as a 2015 Lightspeed Aviation Foundation Pilots Choice Awards Grant program finalist. Miracle Flights' supporters can help fly more children to out-of-state medical care by visitingwww.lightspeedaviationfoundation.org to vote.

About Miracle Flights

Miracle Flights for Kids is a 501(c)(3) nonprofit organization providing free medical air transportation via commercial airlines throughout the United States. For nearly 30 years, Miracle Flights has closed the distance gap between children and needed medical care, coordinating more than 90,000 flights covering 50 million miles.
