

SMART INVESTMENT IN A WAR BIRD

News / Events / Festivals

Boschung Global and FLYINGGROUP are offering a unique opportunity for the pilot, the enthusiast and the investor to secure some of the most iconic aircraft in history. What pilot would not like to climb into the cockpit of a famous fighter bearing the legendary names Messerschmitt, Spitfire, Mustang or Yak? Here is an opportunity to pursue a childhood dream, following in the footsteps of the legendary Knights of the Sky. If this is you - here is your chance!

Of course not all of those who have an interest in these magnificent machines will be able to fly them, there are many who want to own such famous aircraft for historical reasons, saluting the sacrifice that the veterans from all sides who gave all for their respective countries. What better way to honour these men and women than to own your own piece of history and to be able to educate current and future generations as to their importance?

Boschung Global and FLYINGGROUP are offering you an opportunity to be that caretaker and educator.

No matter what your intent, it is without question that these famous aircraft are more than just a play thing or historical item, they are an incredible investment. This is a golden opportunity for

Investors; it is seldom that such a large range of desirable aircraft is available at the same time. It is a once in a lifetime chance to acquire aircraft which can be on sold for an excellent future profit. The warbird market is a very healthy one and expanding at a promising rate, with more and more people prepared to spend money on not only owning beautifully restored and maintained machines, but on projects which still have some way to go before they are returned to their former glory. This means there is not only a demand from the established and wealthy collector, but for those who are just entering the market and want to work their way up to owning and flying a top shelf, front line fully operational fighter. These people are searching for an aircraft that can satisfy their needs, any Investor which has such rare and sought after machines in their inventory can expect to command a healthy price and return.

Boschung Global and FLYINGGROUP are able to provide a complete range of options - a project for an entry level person, a trainer for those who wish to up

skill or are satisfied with a pleasant and more docile experience in the air, right through to those who want to be fully fledged, edge of the seat, Sky Warriors!

Whatever your motivation Boschung Global and FLYINGGROUP have the tools and the expertise to make your dreams a reality! Don't miss out - talk to them at EBACE (29-31 May 2018, Geneva, Switzerland – Booth U107).
