

CAPITAL ASSURED ANNOUNCES STRATEGIC PARTNERSHIP WITH FLORIDA LIFESTYLE AND BUSINESS EXHIBITION IN DUBAI

News / Events / Festivals, Finance

Real estate investment, management and development firm [Capital Assured](#) is to become the strategic partner for the [Florida Dubai Link: Lifestyle and Business Exhibition](#) in Dubai, September 6-7th 2015.

With a new direct daily flight between Dubai and Orlando offered by Emirates Airlines from September 1st, this is the perfect time for Capital Assured and 'Florida Dubai Link' to showcase the new business, lifestyle and travel prospects that this will open up.

"Emirates Airlines' opening its wings to fly to Orlando directly will offer new, interesting opportunities and we are ready to merge deals and relationships," explains Robin Titus, General Manager at Capital Assured. "We have also noticed substantial interest for Florida lifestyle opportunities from Dubai, and we want to provide the perfect platform to facilitate the opportunity to invest."

Headquartered in Miami, and with offices in Dubai, Capital Assured has strong ties with both communities and is uniquely placed to support the developing relationship between these two

major international commercial hubs.

Florida Dubai Expo organizers C7 International and Orb International are committed to working in both communities to help bridge business connections. Orb International organizes exhibitions around the world including Brazil, Colombia and the UK, along with new shows in Mexico and Argentina in addition to Florida Dubai Link.

"This is just the beginning and we invite everyone to come and meet Orlando, Florida; whether to buy a property, get your kids into school, or expand business interests, Florida Dubai Link invites you to attend and engage!" says Orb International President, Justine Assal MBE.

The 2 day exhibition will bring together 15 leading international companies to share knowledge, build partnerships and develop investment opportunities. This Florida focused event will feature educational seminars and round tables on topics including real estate, international taxation, immigration, the US school system, business expansion to the US, health, leisure and travel. Other event partners and sponsors include Emirates Airlines, the Greater Orlando Aviation Authority, U.S.-U.A.E. Business Council, and Dubai Chamber.

About Capital Assured:

Capital Assured is driven by the desire to provide 'Wealth Protection and Income Generation' for future generations. This is accomplished through Real-Estate Investment, Management and Development. Capital Assured is headquartered in Miami, USA with offices in Dubai, UAE; Buenos Aires, Argentina & London, U.K.

Capital Assured was initially founded as a vehicle to help the existing shareholders to invest and manage real estate in the USA. Since inception, the business model has been adjusted in order to assist other high net worth individuals and institutions to invest and to manage income-generating property, primarily in the United States of America.
