SPANISH FLIGHT SCHOOL FLYSCHOOL AIR ACADEMY BUYS AN ALSIM AL250

News / Maintenance / Trainings

Alsim is pleased to announce the sale of an AL250 simulator to Spanish flight school Flyschool Air Academy,located in Madrid, Spain.

The AL250 contains the best, state-of-the-art technology and is EASA-FNPT II (Flight Navigation Procedures Trainer) certified. It addresses initial phase training needs (PPL, CPL, IR/ME) and is SEP/MEP re-configurable. In addition, it offers both classic and glass cockpit instrumentation for each flight model at the simple flick of a switch.

Mr Rafael Lopez, General Director at Flyschool Air Academy, tells us the reason of their choice: “We selected the AL250 because Alsim is renowned worldwide, with many years of experience. This model of simulator in particular is being used in the best schools in Europe, we couldn’t do less: even if we have high quality simulators in our school, we needed to add this one to our fleet.”

Mr Nicolas de Lassus, Sales manager for Alsim in Spain explains: “We are proud to welcome Fly School Madrid among our customers; this is a well-known flight school in Spain and abroad. We are delighted they recognized the AL250 as a training standard used among the best schools in Europe: to date thirty AL250s have been sold worldwide. We

hope this is the beginning of a successful cooperation between our two companies.”

About Flyschool Air Academy

Flyschool Air Academy is an ATO exclusively dedicated to aircraft commercial pilot training. The school is located in Madrid (Spain), where it totalizes 4 professional flight simulators, 15 Cessna & Piper aircraft, and its own maintenance center. This year, the school plans to open new locations to increase its capacity.
Today there is about thirty employees (the majority of them being pilots or co-pilots) to train the best pilots and the best candidates like the integrated programs, MCC and PBN.
